

## Miranda Richards

*Client Services Consultant (UK)*

### Career history

Miranda works as a Consultant for TreeTop Asset Management LLP since 2009, where she is primarily responsible for targeting new business opportunities amongst HNW clients in the UK, and managing client relations.

Before that, Miranda was a Private Client broker at Barratt & Cooke, responsible for improving stock selection and portfolio management methodology. She also worked at Henderson Investors for almost 10 years where she managed several funds for retail and institutional clients.
